## Tuition

### 2023 ~ 2024

Stars on 9 Dance Center is an "auto-pay" center. Tuition is automatically debited from your credit/debit card account on the 23<sup>rd</sup> of the prior month. All accounts are set up on an automatic recurring monthly plan.

Yearly tuition is based on an annual fee. The yearly tuition arrangement is budgeted and divided into 10 equal monthly payments. Payment is not based upon the number of classes per month (which may be different each month). This variance includes tuition for the month of September, Winter Break, Spring Break and the month of June (which may have fewer or more classes).

Tuition payment is determined to provide a convenience of 10 equal payments. In cases of chosen family vacations or illness of a student, tuition cannot be adjusted or prorated, as make-up classes are available. All registration fees, tuition, costume fees, recital fees and any additional expenses, must be paid in full to receive any previously ordered costumes, accessories, headpieces in order to participate in the June recital performance.
